Hartman notation legend

	Strong — close, supportive connection
	Moderate — functional connection
	Weak / tenuous — fragile connection
	Stressful — burden or strain
	Conflictual — active conflict / tension
	Broken / severed — cut-off or estranged
	Energy flow → — direction resources move (arrow toward center = system supports client; outward = client gives; both ends = mutual)

How to use this template

1. Write the client or family name in the center circle.
2. Label each outer circle with a system (family, school, work, healthcare, faith, friends, agencies...). Add or ignore circles as needed.
3. Connect the center to each system using the line style that matches the relationship quality.
4. Add arrowheads to show the direction of energy or resource flow.
5. Note context beside key connections (frequency, caseworker name, barriers).
